

HEALTH & SAFETY POLICY STATEMENT

Effective Health and Safety controls and work practices are an integral part of our Company culture and recognised as key drivers in respect to achieving success in our business objectives.

Key H&S Objectives

- Ensure that our business operations are undertaken in accordance with current statutory health and safety legislation
- Provide our workforce with training, information, procedures, skills, equipment and leadership
- Continually develop and improve the health and safety culture and ethos of our business and the personnel who work for and with us
- Ensure that the Directors and Senior Management recognise and fully support the Company's H&S policies and procedures
- Work so that our business activities do not cause risk to the health and safety of our personnel or to others who may be affected by our works
- Promote accident, work related ill-health and incident reporting by staff, so that the Company can mitigate accidents and incidents as much as feasibly possible

Key H&S Targets

- Zero HSE prosecutions or enforcement notices
- No RIDDOR reportable accidents

Key Statutory Duties Compliance

We shall do all that is reasonably practicable to implement our legal duties under all relevant statutory provisions and in particular those provisions outlined in:

- The Health & Safety At Work Act 1974
- The Management of Health & Safety at Work Regulations 1999
- The Construction (Design and Management) Regulations 2007

Directors Commitment

I, the director of JU Contractors, pledge to provide satisfactory resources to ensure so far as reasonably practicable that Company personnel are provided with the necessary training, supervision, information, procedures, skills, equipment and leadership necessary to achieve our policy objectives.

This policy applies to all personnel of JU Contractors Limited
